

- Portable: bus-powered, convenient, driver free
- Stack & Play with other LaCie Brick hard drives
- Store and back up music, photos, videos & files
- Add multiple colors to your computing life

### As Easy As 1-2-3

Setup is nearly effortless; the Brick is ready to use seconds after removing it from the box. Simply attach the USB 2.0 or FireWire cable to your computer for quick access anywhere. Stacked drives can just as easily be connected as well. This plug & play hard drive is as easy to use as 1-2-3. It's driver-free for Windows 2000, Windows XP & Mac OS X. Helpful software is included for '1-Click' backup and drive management utilities.

### Unique Playful Design

Crafted by the world-famous designer Ora-İto, the new LaCie Brick expresses a ludic playfulness in a high-performance, portable hard drive. The Brick makes professional storage as amusing as a child's game with its unique, modern design. Stack & Play multiple LaCie Brick Hard Drives (Mobile and Desktop) to add vibrant colors to your computing life while expanding capacity and saving desk space.

### High-Performance

The LaCie Brick Mobile Hard Drive can achieve interface transfer rates of up to 480Mbps/s with Hi-Speed USB 2.0 and 400Mbps/s with FireWire. This high-performance, bus-powered storage solution provides the fast data transfer rates required for jobs like downloading digital photos, saving MP3s or transferring home videos from a camcorder. Because the Brick Mobile drive is fanless, operation is always ultra-quiet.

### Built to Move

Available in 3 bright colors (red, white and blue) and 4 different capacities (40GB, 60GB, 80GB and 120GB), the LaCie Brick Mobile Hard Drive comes with either Hi-Speed USB 2.0 interface or Hi-Speed USB 2.0 & FireWire dual interfaces. Use it to back up important files on the road or share and exchange files across distances and with others—whether on PC or Mac. At around 5" x 4" x .78", this compact, light-weight drive easily fits into most briefcases, purses, and even pockets, for convenient mobility.

mobile hard drive

## specifications

### Hi-Speed USB 2.0

item number	301053	301054	301055	301056
capacity	40GB	60GB	80GB	120GB
color	white	red	blue	red
interface	1 x Hi-Speed USB 2.0 port			
interface transfer rate	up to 480Mbps/s (60MB/s)			
data transfer rate	up to 25-30MB/s			
fan	fan-free operation			
rotational speed	5400rpm			
seek time	<12ms			
cache	2MB or greater 2MB or greater 8MB or greater 8MB or greater			
dimensions	5.1 x 4.4 x .78 in. / 130 x 112 x 20 mm			
weight	7.9 oz. / 225 g			
warranty	US: 1 year limited / Europe: 2 years limited			
box contents	Hi-Speed USB 2.0 cable, USB power-sharing cable*, LaCie Utilities and PDF User's Manual, Quick Install Guide			

### Hi-Speed USB 2.0 & FireWire

item number	301057	301058	301059	301060
capacity	40GB	60GB	80GB	120GB
color	blue	white	red	blue
interface	1 x Hi-Speed USB 2.0 port, 1 x FireWire port			
interface transfer rate	Hi-Speed USB 2.0: up to 480Mbps/s (60MB/s) FireWire: up to 400Mbps/s (50MB/s)			
data transfer rate	Hi-Speed USB 2.0: up to: 25-30MB/s FireWire: up to 30-40MB/s			
fan	fan-free operation			
rotational speed	5400rpm			
seek time	<12ms			
cache	2MB or greater 2MB or greater 8MB or greater 8MB or greater			
dimensions	5.1 x 4.4 x .78 in. / 130 x 112 x 20 mm			
weight	7.9 oz. / 225 g			
warranty	US: 1 year limited / Europe: 2 years limited			
box contents	FireWire 6:6 pin cable, Hi-Speed USB 2.0 cable, USB power-sharing cable*, LaCie Utilities and PDF User's Manual, Quick Install Guide			

### features

- USB 2.0 interface or USB 2.0 & FireWire dual interface
- Available in 3 bright colors & 4 capacities
- Simple setup, easy-to-use
- Stack with other Bricks to save desk space
- Compact, light-weight and thin body
- Bundled with user-friendly software
- Ultra-quiet fan-free operation

### system requirements

- PC or Mac with built-in Hi-Speed USB 2.0 (or FireWire for 301057, 301058, 301059, 301060) interface
- Windows 98SE, Windows 2000, Windows Me, Windows XP or Mac OS 9.1, Mac OS 10.2.1 or greater
- Intel Pentium II 350MHz-compatible processor or greater
- iMac®, Power Mac® G3 or greater
- minimum 32MB RAM
- internet connection (for product registration)

### software

- LaCie '1-Click' Backup (Windows 98SE, Me, XP, 2000 or greater; Mac OS 10.2 or greater)
- SilverKeeper™ Backup Utilities (Mac OS 9, Mac OS X)
- Driver-free for Windows 2000, Windows XP or Mac OS X
- Silverlining® 98 Drive Management Utilities (Windows 98SE)
- Silverlining® Pro Drive Management Utilities (Mac OS 9.x)

USB 2.0 &amp; FireWire Back

USB 2.0 Back

1GB = 1,000,000,000 bytes. Once formatted, actual available storage capacity varies depending on operating environment (typically 5-10% less).

\* For computers equipped with a low-powered USB port, the bundled USB power-sharing cable helps turn the drive on by drawing extra power from a second USB port. An optional AC power adapter is available (sold separately) for non-powered USB hubs or boards, or for the rare computers that limit bus power.
